

### **Train tip**

The Ferrocarrils de la Generalitat de Catalunya (FGC) is the train line that connects the city of Barcelona to Bellaterra, where the UAB campus and the CRM are located.

From downtown Barcelona to the UAB it takes about 40 minutes.

Check the timetable and ticket prices at: <http://www.fgc.es/eng/index.asp> (Línia Barcelona-Vallès)

Note that you will need a 2-zones ticket from Barcelona to Bellaterra and the best ticket option, for the average on-month visit is the T-10 ticket.

When looking for housing in downtown Barcelona make sure to check the FGC train path at <http://www.fgc.cat/cat/barcelona-valles.asp> . For convenience, we suggest that you find housing along the train path.
