#### Abstract

Barcsyn is about bringing together researchers from computational, systems and cognitive neuroscience. Our goal is to provide a forum for lively discussion and promote active collaboration between Barcelona-based research groups, especially between theorists and experimentalists.

This is the fourth annual Barcsyn conference. The conference will be held on Thursday and Friday, June 18 and 19, 2015, at the Institut d'Estudis Catalans. Each day we will have 8-10 brief oral presentations from local researchers, a poster session and a longer keynote lecture from a renowned researcher from abroad. You can check the past editions [here](#).

We invite you to submit proposals for a logo that will be used in future editions of the Barccsyn conference and also to represent the Barcelona Computational, Cognitive and Systems Neuroscience community in general (for example, the logo will be featured on <http://www.barcelonaneuroscience.com/>).

Ideally the Barccsyn logo should be visually appealing, have some connection to Barcelona and to our research field.

### Submission instructions:

The authors of the logo proposals are not revealed during this stage of the competition. The winner will be announced on June 19 during an award ceremony in which the winning logo is presented and the name of the winner is announced.

### Prize:

The winner will receive a prize consisting in an Amazon 100€ gift voucher and will have the honor to author the image of the BARCCSYN community for the years to come.
