4th BGSM Math Junior Meeting

Barcelona, 5-6 November 2018

Invited speakers:

J. Carlos Naranjo
(UB)

Alejandra Cabaña
(UAB)

Gemma Huguet
(UPC)

Albert Clop
(UAB)

Young researchers at the Barcelona Graduate School of Mathematics are organizing the fourth BGSM Math Junior Meeting. This is an excellent opportunity for young researchers of the BGSM Math community to meet senior researchers and colleagues from various universities and share their knowledge and skills.

This meeting is addressed to any researcher in any area of mathematics.

Don't forget to submit your poster!

VENUE

Aula Magna,
UB Historical Building
Plaça Universitat
(Barcelona)
